Local Organising Committee

G. Adamiec - chairman
A. Pazdur
P. Moska
G. Poręba
J. Sikorski
Staff of the GADAM Centre

Conference venue:

The Conference will be held at the Silesian University of Technology Education and Congress Centre (ECC) Konarskiego 18B, Gliwice

Oral presentations:

The total time for oral presentations is 20 minutes including time for discussion. A beamer (IBM PC running Windows XP, projector resolution 1024x768) will be available during the oral sessions. An overhead projector and a slide projector will also be available.

Authors should provide their presentations on USB Memory stick or CD Rom to the session organisers at least half an hour before the first session. Please, begin the name of the file with the surname of the first author.

Poster presentations:

Poster session will be held in the hall near the conference room. The posters should be displayed during the whole conference. The area for a poster presentation is ca 1x1.30 m.

Publication:

Authors of presented papers, either oral or poster, are kindly reminded to bring with them the manuscripts in electronic form which comply with the Instruction for Authors in the *Geochronometria* journal (http://www.geochronometria.pl/pdf/Instr_for_Authors.pdf) and to hand them over at the conference desk or deliver it till 31st May 2010 via e-mail. The papers will be refereed according to the rules of the Journal.

Internet:

There will be a possibility to connect to Internet at the Education and Congress Centre via wireless connection or two special Internet points.

Unfortunately there is no possibility to connect to Internet at the hotel "SEZAM".
